Support Our Troops

As Iowa experiences the largest deployment of National Guard and Reserve military since WWII, Iowa employers are asked to show support for these men and women, many of whom are our employees.

Earlier this year, the Iowa Chamber of Commerce Executives (ICCE) formed a partnership with Iowa Employer Support of the Guard & Reserve (ESGR). Now, ESGR Representatives are working with local chambers to encourage employers to sign "Statements of Support". Many local businesses have already signed this pledge, but our chamber's goal is to have at least 400 of our members sign prior to Veteran's Day on November 11.

Your business does not need to employ a Guard or Reservist to participate.
