Business Spotlight

Edward Jones
MAKING SENSE OF INVESTING

Edward Jones has a simple approach to offering financial services: tailor the solutions to the unique needs of each client, focus on the serious long-term individual investor, emphasize the quality, buy-and-hold investments, commit to personal service and put the advisors' offices on Main Street not on Wall Street.

Residents of Ankeny don't have to drive downtown to talk to a financial advisor. The financial advisors serving the area are Terry Peter AAMS, Brian Herbel AAMS, CFP, and Kevin Fisher. All three are very involved with the community and serving its needs. At any of the offices, you can receive one-on-one, face-to-face service when you need it. As you pass life's milestones, your Edward Jones financial advisor will take the time to meet you and explain the full array of services and investments. Edward Jones is a full-service firm offering complete financial services and products to meet your goals. For more information or to schedule your portfolio review call Terry Peter (965-6901); Brian Herbel (964-1010); Kevin Fisher (964-1841).
