On November 17, 2008, the Department of Labor (DOL) published its final rule to implement the first-ever amendments to the Family and Medical Leave Act (FMLA), signed into law by President Bush in January 2008, which provide new military family leave entitlements and to update the regulations under the 15 year-old FMLA. The final rule will improve communication between employees, employers, and health care providers to make the law operate more smoothly and provide needed clarity for both workers and employers about their responsibilities and rights under the FMLA leave. The Final Rule does not reduce the law's coverage for workers who need FMLA leave. Updating and clarifying the regulations will reduce uncertainty and provide greater predictability in the workplace for everyone.

## Ankeny Mini Storage

**Jim & Phyllis Tigges ~ Owner**  
**705 S.E. Dalbey Dr.**  
**Ankeny, IA 50021**  
**(515) 965-9321**

Located right behind WalMart in Ankeny, Ankeny Mini Storage has served the people of Ankeny and surrounding communities for the past several years. As the new owners, (Jim and Phyllis Tigges), we would like to introduce ourselves to everyone in this wonderful community. We tried retirement after owning and operating our own custom home building business for the past 40 years. We learned we still needed something besides golf to keep us busy so we purchased Ankeny Mini Storage. We have 342 units ranging in size from 5x10 to 10x25, and priced from \$40 to \$100. Our facility is fenced and gated with an onsite manager, and we are open six days a week, (Mon thru Sat). All the units have keyed locks installed in the doors, eliminating the need for exterior padlocks for the convenience and security of our customers.

As the new owners we are looking forward to continuing service to all the fine people already living in Ankeny as well as all newcomers. So if you don't know what to do with all that "extra stuff," please stop by our mini storage or call us at the above number. Let us help you find that extra room you need for storage.

Mc Motorsports was founded by two people who are very passionate about ATV's and riding in general. We ride almost every weekend, and when we aren't riding, we are looking to ride or looking for the next great riding experience. In our business THE KIDS COME FIRST!! We are your local DRR dealer who specializes in kids ATVs as well as children's apparel and accessories for all makes and model ATVs and motorcycles. For those not familiar with DRR, they are a children's ATV and accessories manufacturer. DRR has won more national titles than any of the major four brands (Kawasaki, Suzuki, Yamaha & Honda). They pride themselves in specializing in the safety of the kids as well as speed and durability. The DRR ATVs are over 41" wide; they come standard with racing tether, headlights, taillights, 4 wheel disc brakes and an engine that's second to none! As parents, as well as ATV fanatics, we also believe SAFETY COMES FIRST! That's why we also feel it necessary to give your little person the most important piece of protection. With the purchase of one of our ATVs we will gladly throw in a free helmet. We are excited to be an exclusive dealer here in Ankeny for DRR. We could not imagine selling a product we do not strongly believe in. As passionate riders as well as parents, we know it's extremely hard to find children's riding gear of different varieties. That's what we are geared towards children as well as adults. We look forward to outfitting your child in his/her first ATV and apparel. Stop by and check us out!!

This year the Board took on several new initiatives including the first Total Resource Campaign in early 2008 and ending with the first TASTE of Ankeny in the fall.
