MEET YOUR BOARD!

Tom Friedman
*1st National Bank,
Ankeny*

tom.friedman@fnbankeny.com

Tom Friedman is currently the 2011 Chamber Vice President and is very much looking forward to his term as Chamber President in 2012. He works at First National Bank as the Market President in Ankeny. Tom and his wife Joanne have lived in Ankeny since 1994, have 5 children, one son-in-law and will have another one in May.

"The first official act I did when I came to Ankeny was to join the Chamber. My affiliation and active involvement with the Chamber has definitely been a benefit to both me personally and the bank." In addition to volunteering for the Chamber, Tom serves on the board and executive committee for On With Life, the Ankeny Service Center and serves on the finance committee at Our Lady's Immaculate Heart Church. Any spare time is spent with his family, typically watching one or more of his children participating in athletic events. Although Tom has lived in several cities before moving to Ankeny, he now considers Ankeny home. It is not only a great place to raise a family, it is simply a great place to live, work and play.

Countryside Golf Course

Larry Hughes

Norwalk, IA 50211

www.countrysideiowa.com

The idea of "if you build it, they will come" is more than just a movie quote. Larry Hughes, owner and operator of the Countryside Golf Course in Norwalk has one of the most inspiring businesses in the metro. Sure, if you've played the links you'd know they have the best greens around, not too fast, not too slow, just right.

In 1977, Larry Hughes and his family began farming a piece of land just south of the Des Moines Metro, making their living off the land like many families did around Iowa. Larry, being a huge golf enthusiast himself, always dreamt of having his own course. The question remained, where? Well, he had a prime piece of land that had helped his family for years. It was in the perfect location, just 4 miles south of the Des Moines International Airport. Why not just bring his dream to life, where he had been all those years already.

In 1999, Countryside Golf Course Opened for business. Sitting on 160 acres of rolling Iowa countryside, this course has so much to offer golfers of every level of experience. The front nine has six water hazards. The fairways all feature bent grass. Plus, Countryside Golf Course has been a recognized USGA Course since 2004.
