Iowa Insurance Consultants, Ltd was established in 1991. We are a multi-line agency offering all types of insurance. Because we are multi-line, and an Independent Agency, we have the ability to seek out the right coverage and premium for our Customers, amongst many leading companies!

Most people have one doctor and one dentist; one accountant and one attorney. Our clients find it smart to have on professional to handle their insurance affairs as well!

Iowa Insurance Consultants, Ltd operates under a NO SURPRISE philosophy, because you don't know how good the products/companies are until you need them or until you've had a claim. You don't want surprises and neither do we.

Our goal is to develop clients and relationships. A client is one who has all, or most all of their Insurance Business with us. Relationships are built by doing what we say we will do, when we say we will do it, and by clients referring their associates, friends and family to us. We will treat you fairly, quickly and courteously, because at Iowa Insurance Consultants, WE DO IT BETTER!
