Join us! Business After Hours Ankeny Historical Society

Thursday, August 8 5:00 - 7:00 PM

Does Ankeny have an Uptown, Downtown or both? Ankeny was founded in what year because of the railroad and that rail track is now part of the High Trestle Trail? You will find the answers to these questions and learn much more about the history of the Ankeny area at the Ankeny Area Historical Society's museums. The barn's 1st floor is home to our farming, mining and telecommunication displays. Our store display let's you experience what it was like to shop at an Uptown store in the early 1900's. On the second floor of the barn you will find a large display of the Des Moines Ordnance Plant located here in Ankeny during WWII. Displays on Ankeny Schools, a country parlor, country kitchen and country school are also on the 2nd floor. Our 1905 farmhouse, originally located at 410 S. Ankeny Blvd., was moved to its present location in 1995. In the house, you will find displays of what a bedroom would have been like in 1905, along with a sewing room, a toy room, parlor, diningroom, and kitchen. A military display starting with the Civil War artifacts. Our library is a great source for doing research on the Ankeny Area. The Number 7 Brewing Company will be providing refreshments for the Business After Hours at the Ankeny Area Historical Society. The Number 7 Brewing Company is located in Uptown Ankeny on Maple Street.
