MEET YOUR BOARD!

Ted Rapp
Prairie Trail ~
DRA Properties
tedr@albaughinc.com

Ted is Development Director for DRA Properties, LC in Ankeny. For the past 8 years, he has worked with those in his office, consultants and city staff to plan and then develop Prairie Trail, the mixed-use, 1,100 acre community in the midst of the city of Ankeny. He is thankful for the opportunity to help create such a unique and thriving mix of residential, educational and commercial neighborhoods. Additionally, Ted collaborated with city staff to remodel Otter Creek Golf course and develop the residential neighborhoods in and around that great new course. Ted and his wife Sarah moved to Ankeny in 1988 and thoroughly enjoyed watching their twins Nate and Alison grow and prosper in the Ankeny Schools. Both then graduated from Iowa State. Nate now manages facilities for Iowa Clinic and lives in Johnston with his wife and Ted & Sarah's two grandchildren. Alison is engaged in post-doctorate research at Washington University in St. Louis where she resides with her husband. Ted fully appreciates the opportunity to be involved with the Chamber, as well as being on the Board of Directors of the Ankeny Economic Development Corporation. He has also been on the Steering Committee for the Ankeny Miracle League Park and all-inclusive playground project. Ted not only encourages Chamber members to be involved and interact with other members, but also encourages those who are not members to visit with Chamber staff and become aware of all of the business and social benefits afforded you by being a member.
