Community Choice Credit Union, formerly known as State Employees Credit Union, was established in 1953 in a back room of an office in the Capitol complex. Now 56 years later the credit union has grown into six offices around the Des Moines metro area serving over 30,000 members. Community Choice is proud to continue serving its membership based on the principle of "people helping people." As a not-for-profit financial institution, profits are returned back to its members in the form of higher dividends, few or no fees and lower loan rates.

Last November was an exciting month for Community Choice Credit Union. The sixth branch location was opened in Ankeny to better serve citizens in the area. After much anticipation, this full-service branch offers a mortgage office, two consumer loan officers and friendly front staff employees ready to serve your financial needs. Stop by just to view the contemporary lobby and walk away with a smile. If it's Friday, grab a free bag of popcorn on your way out!

Community Choice Credit Union continues to separate itself from the competition, and this summer is no different. By this fall, one lucky winner will drive off with a 1967 Chevy Camaro Super Sport. Anyone can register to win. Even if you don't win the Camaro, how does \$100 cash in your pocket sound? If you finance or refinance a vehicle loan over \$10,000, not only do rates start at 5.24% for 2007 and newer but just for bringing your business to Community Choice, you will get a free \$100 bill.
