MEET YOUR BOARD!

Jennifer Walter
1st Vice President
1st National Bank,
Ankeny

jenwalter16@hotmail.com

Jen Walter moved to Ankeny from the Puget Sound in Washington State in the Fall of 1997 to attend Faith Baptist Bible College. During her Senior year of College she began working at Walnut Street Gallery in Uptown Ankeny. In 2007, after 7 years of working at the Gallery, Jen & her Husband Dave took over ownership of Walnut Street Gallery. One of the first things Jen did to support her business was to become active in the Ankeny Chamber of Commerce. Jen graduated from the Ankeny Leadership Institute in 2009 and began serving on the Chamber Board of Directors in 2010. In 2015 Jen is looking forward to serving as the President board of Directors of the Ankeny Chamber of Commerce. Jen and her husband Dave have 3 children. Jordan (11) just started 6th grade at Parkview Middles School, Jonny (9) is in 4th Grade at Crocker Elementary, and Katelyn (18 Months) is now the spunky center of attention at the Walter home. For the past year Jen has been working full time as the Private Banking Officer at First National Bank in Ankeny. She loves her new position and the opportunity to provide her private banking clients with the same great customer service she has always given her customers at Walnut Street Gallery. Jen says that being involved in the Chamber has helped her grow personally and professionally. The Walter's still own the Gallery and are still working there on Saturday's and by appointment as they transition. If you are intertersted in owning a long standing small business in Ankeny and are creative, give Jen a call! Life is busy for Jen with three active kids, church activities at Saylorville Church, building relationships in her career at First National Bank, business ownership at the Gallery, & serving on the Chamber Board. Jen thanks the encouraging support system of her husband, friends and family, and most of all God for the energy to make it all happen!

Karatbars

www.karatbars.com

Karatbars is a gold savings program that allows you to acquire gold in 1, 2.5 and 5 gram amounts. Karatbars is an Ecommerce business - not network marketing. Our dual team system is set similar to other network marketing companies but we have 3 major differences. We have a superior product - GOLD - 999.9 pure 24k, we don't have ANY monthly fees. All other programs you have to buy products monthly. Best for last - we get paid on a Karatbars MasterCard. That gives Karatbars credibility. Mastercard wouldn't partner with a company that wasn't solid. The only requirement after initial marketing package purchase is to exchange 50Euro (\$65US) of your earnings for a gram of gold when you make 200 Euro within a 30 day period. Notice the term trade - that is the whole idea, affiliates trade one type of currency for another. Karatbars is trading paper currency for a superior gold currency.

New to Iowa by way of Illinois from Missouri. Restaurant business for almost 30 years, Bandana's 15 years, 4.5 as an owner. Bought a restaurant in Bloomington, IL in 2010 and planted myself in the community. I believe the community is the secret to success. Without the people, there is no us, so they must be our priority. I believe in good food at a great price, with outstanding service, in a fun environment. We offer dine-in, private parties, box lunches, catering services from pick up, drop off or full service. We try to get you in and out, so you can get back to work.

My passion is my faith, my family and my friends. I love the smiles as people leave our restaurant, raving about their experience. Try Bandana's, again, or for the first time. There's a new sheriff in town, smell that smoke.
